

Deiss R, A. J., Fairchok M, Lalani T, Danaher P, Rajnik M, Echols S, McDonough E, Mor D, Chen W, Ridore M, Burgess T, Millar E. (2015). Not a total failure: influenza vaccine associated with a reduction in symptom severity among patients with influenza A/H3N2 disease. Paper presented at the Military Health System Research Symposium (MHSRS), Ft. Lauderdale, FL.

Ellis M, M. E., Schlett C, Lanier J, Law N, Lyles D, Hadley A, Kirby K, McCrory O, Dowlen S, Bin Z, Crawford K, Hall E, Merrell D. (2015). Epidemiology of Skin and Soft Tissue Infection in Infantry Trainees at Fort Benning. Paper presented at the Military Health System Research Symposium (MHSRS), Ft. Lauderdale, FL.

Ganesan A, M. O., Okulicz J, Lalani T, Deiss R, Ferguson T, O'Bryan T, Macalino G, Agan B. (2015). A Significant Portion of New Syphilis Cases in the NHS are Attributable to Repeat Infections. Paper presented at the Military Health System Research Symposium (MHSRS), Ft. Lauderdale, FL.

Ganesan A, M. P., Wells J, Murray C, Blyth D, Tribble D, Wickes B. (2015). Results of a pilot study designed to examine the utility of a PCR-based method for identifying the etiology of invasive fungal wound infections. Paper presented at the Military Health System Research Symposium (MHSRS), Ft. Lauderdale, FL.

Johnson R, E. M., Schlett C, Lanier J, Redden C, Cui T, Kirby K, Law N, Lyles D, Teneza-Mora N, Bishop-Lilly K, Hall E, Merrell D. (2015). Characterization of Infection Microbiomes in Military Trainees Suffering from Skin and Soft-Tissue Infections at Fort Benning, GA. Paper presented at the Military Health System Research Symposium (MHSRS), Ft. Lauderdale, FL.

Koren M, A. J., Fairchock M, Lalani T, Danaher P, Rajnik M, McDonough E, Mor D, Chen W, Ridore M, Burgess T, Millar E. (2015). Epidemiologic, Virologic and Clinical Characteristics of Adenovirus-associated Respiratory Illness at Five US Military Hospitals, 2009-2014. Paper presented at the Military Health System Research Symposium (MHSRS), Ft. Lauderdale, FL.

Kortepeter M, B. T., Davey R, Dodd L, Proschan M, Schlett C, Burris H, Miller R. (2015). Capturing Safety and Efficacy Data of Experimental Therapies in an Outbreak of a Rare Disease: The Ebola Virus Experience in the US. Paper presented at the Military Health System Research Symposium (MHSRS), Ft. Lauderdale, FL.

Lloyd B, M. C., Bradley W, Shaikh F, Aggarwal D, Carson M, Tribble D. (2015). Variation in Post-Injury Antibiotic Prophylaxis Patterns over Five Years in a Combat Zone. Paper presented at the Military Health System Research Symposium, Ft. Lauderdale, FL.

Macalino G, W. X., Ganesan A, Okulicz J, Lalani T, Bavaro M, Agan B. (2015). The Impact of Moving (Permanent Change of Station) on Syphilis Incidence among HIV+ Active Duty Members and Beneficiaries. Paper presented at the Military Health System Research Symposium (MHSRS), Ft. Lauderdale, FL.

Miller R, R. E., Paris R, Murray C, Hickey P, Cardile A, Fandre M, Vento T. (2015). Unprecedented Protection for Malaria during Operation United Assistance and Late Breakthroughs upon Return. Paper presented at the Military Health System Research Symposium (MHSRS), Ft. Lauderdale, FL.

Morrison S, E. M., Schlett C, Tribble D, Anderson-Bradbury K. (2015). Cost effectiveness analysis of hygiene strategies to prevent methicillin resistant Staphylococcus aureus associated skin and soft tissue infections. Paper presented at the Military Health System Research Symposium (MHSRS), Ft. Lauderdale, FL.

Morrison S, E. M., Schlett C, Jordan N, Tribble D. (2015). Epidemiologic and economic burden of Staphylococcus aureus skin and soft tissue infections among military trainees. Paper presented at the Military Health System Research Symposium (MHSRS), Ft. Lauderdale, FL.

Nagy L, M. E., Cui T, Schlett C, Crawford K, Merrell D, Lanier J, Lyles D, Law N, Teneza-Mora N, Ellis M, Hall E, Bishop D. (2015). Staphylococcus aureus Skin and Soft Tissue Infections Induce gd T cells and Pro-Inflammatory Cytokines: A Case-Control Study among Military Trainees. Paper presented at the Military Health System Research Symposium (MHSRS), Ft. Lauderdale, FL.

Nagy I, S. C., Cui T, Millar E, Crawford K, Merrell D, Lanier J, Law N, Teneza-Mora N, Ellis M, Hall E, Bishop D. (2015). Does Staphylococcus aureus nasal colonization induce T-cell inflammatory cytokine responses? Evidence from military trainees at high-risk for Staphylococcus aureus colonization and disease. Paper presented at the Military Health System Research Symposium (MHSRS), Ft. Lauderdale, FL.

Tribble D, e. a. (2015). The Trauma Infectious Disease Outcomes Study (TIDOS): A 5.5-Year Review of Accomplishments. Paper presented at the Military Health System Research Symposium (MHSRS), Ft. Lauderdale, FL.

Tribble D, e. a. (2015). Trials and Tribulations: The Expedited Development of an Invasive Fungal Infection (IFI) Clinical Practice Guideline. Panel Discussion. Paper presented at the Military Health System Research Symposium (MHSRS), Ft. Lauderdale, FL.
